

# a guide to texture

Marrying the right texture with the right design is a skill in itself and brings a design to life. We've worked with eleven textures across our range to do just that.

Our textures are carefully chosen to complement each decor and take it from laminate to lifelike.

This quick guide helps you see our textures in more detail and look at the matrix on page 47 to see which texture your chosen worksurface is available in.

## Timber

Natural finish emulating the look and feel of wood

## Quarry

Premium finish emulating the "pitted" look of polished natural stone

## Grain

The fibre of wood underpinned by a subtly irregular and silky grained surface

## Mineral

Matt finish with an irregular stone structure

## Roche

An uneven texture with hints of natural stone or hammered metal combined with a matt finish

## Riven

A stone like finish with a slightly reflective surface

## Glaze

A layering of matte features over a glaze of semi-gloss creates this timeworn effect

## Eggshell

A refined satin eggshell, soft to touch, radiating purity and discretion

## Gloss

High shine, smooth finish

## Ultramatt

Matt appearance offering a low reflective finish
