

# best in class

This is our dedicated production line for Encore. We've spent more than 3 years and close to £1million on the very latest tooling, design and manufacturing equipment so that we can guarantee you solid surfaced worktops that are best in class in our industry.

You can be sure that every Encore worksurface is made with our usual precision and technical excellence, giving you a product that can be used with absolute confidence for its design appeal, unrivalled specification and outstanding performance.

*"Our customers have a high expectation of a Bushboard worktop and we are confident that we have replicated that with Encore. Our aim is to open up the market with an off-the-shelf product that is best in class. No-one has done that yet."*
