BROCHURE

About Bushboard

Since 1935, Bushboard has been at the forefront of surface design and manufacturing; redefining everyday homes into signature spaces!

As we mark our 90th anniversary, we're proud to reflect on a legacy built on craftsmanship, creativity and customer commitment. From humble beginnings to becoming a trusted name in work surface solutions, Bushboard has continually evolved - embracing new technologies, pioneering design trends and setting new industry standards.

Our journey has been shaped by the people who believe in our products and the partners who share our passion for quality. This milestone isn't just a celebration of our past, it's a bold step into the future.

With fresh collections, sustainable innovations and a continued dedication to excellence, Bushboard remains the go-to choice for surfaces that inspire.

Here's to 90 years of making spaces beautiful and to many more ahead.

Protecting our planet

At Bushboard, we believe exceptional design should never come at the expense of responsibility, and our commitment to sustainability is woven into every surface we create.

We pride ourselves in sourcing only FSC® and PEFC™ certified materials, prioritise energy-efficient manufacturing, ensuring low VOC emissions and continually innovate to reduce waste across our operations.

Because for us, great design isn't just about how it looks - it's about how it respects the world we live in.

Refined surfaces for signature spaces

Thoughtfully crafted work surface solutions that your customers will trust and love.

Lifetime Guarantee

All Omega work surfaces come with a lifetime guarantee against manufacturing defects and faults in materials.

Antibacterial Protection

As standard all Omega work surfaces come with built-in antibacterial protection, which helps reduce bacteria by up to 99.9%.

Durable Surface

Built to endure daily life - Omega work surfaces combine lasting strength with modern style, giving customers confidence in every kitchen moment.

Low Maintenance

Omega work surfaces are hard-wearing, stain-resistant and easy to clean - plus they don't need sealing or any special treatments either!

Easy Install

Designed for quick and simple installation, Omega work surfaces are lightweight and easy to cut with standard woodworking tools.

Usage

Worktops

Designed for everyday living, Omega worktops offer style, durability and versatility across cooking, dining and entertaining spaces.

Splashbacks

Stylish and practical, Omega splashbacks protect walls from the demands of a busy kitchen while creating a sleek, cohesive finish.

Breakfast bar

Perfect for casual dining and entertaining, Omega breakfast bars enhance everyday kitchen living by creating stylish, multi-functional spaces.

Upstands

Omega upstands complete the finish; match with worktops and splashbacks to create a fully coordinated look.

Adhesive and sealants

Discover our adhesive and sealant range - engineered for secure, long-lasting installations across all Bushboard work surface applications.

Complete adhesive

A high-strength, waterproof adhesive with quick grab and flexible gap-filling. Bonds to most clean, dry surfaces with no shrinkage. Easy to use, odourless, and offers a 10-15 minute open time.

Size: 290ml

Complete sealants

Available in 15 colours plus clear, this high-performance, waterproof sealant is odourless, flexible, and shrink-free. With anti-fungal protection and a 10-15 minute open time, it's ideal for all sealing needs.

Size: 290ml

Total peace of mind, with Bushboard's 3 year joint guarantee

Bushboard's three year joint guarantee applies only where Omega work surfaces have been installed in a residential environment and have been subject to fair wear and tear. Wilsonart Complete adhesive and sealants must be used in accordance with Bushboard's recommended installation instructions. Proof of purchase for adhesive and work surfaces will be required in the event of a query.
