

## Great Support

At Bushboard we're passionate about everything we do and we're always here to help. We invest heavily in the best equipment and processes and work with the best materials and suppliers. Our values of partnership, loyalty and an ethical approach mean we do what's right; that's why we've been around since the 1930s.

Our commitment to quality management is proven in our qualification for ISO 9001. Whilst ISO 14001 is a testament to our passion for reducing our environmental impact.

Even after Bushboard products arrive in your home we strive to assure a quality installation. We train thousands of installers and designers every year. Our BB Complete adhesive and sealant range is designed to make the installer's life easier and assure a quality long lasting installation.

There's much more information online along with our brochures and care and maintenance leaflets alongside many more photographs and design ideas.
